

Key points on safeguarding policy and fire training

Safeguarding policy key points

- Ensure a safe environment for all individuals, especially vulnerable groups
- Be aware of signs of abuse
- Report if there is any abuse as soon as possible
- Understand how to report safeguarding concerns effectively
- Be a voice to others if needed

Fire training key points

- Being cautious and aware of potential fire hazards in your environment.
- Always prioritize personal safety over property.
- Follow the emergency procedures
- Not leaving any heat unattended
- Use fire extinguishers from a distance
